Hi Jenell,

No, we didn't receive it on our side.

How is the process going with the student council on bringing maintenance back to 28th Street?
The next step was a discussion with them, right?

Thanks,
Aaron

Hi Aaron,

I was curious if you could help me by seeing if the attached check was deposited within your area. We've searched through our student affairs accounts and don't see it deposited on our side so we are wondering if by chance it was sent to you all for deposit. Just trying to learn more about this check and where it was deposited.

Thanks!
